Private Lapland Experience – 4 Days of Arctic Magic

Day 1 – Arrival in Lapland

Your Arctic adventure begins the moment you arrive. Enjoy a seamless airport pickup – whether your flight lands in Rovaniemi or another Lapland city, we'll be there to greet you personally (tarmac access available upon request).

Settle into your luxurious villa and unwind as your private chef and waiter prepare an exclusive welcome dinner. Indulge in the first taste of Lapland's culinary artistry in the comfort of your home away from home.

Day 2 – The Heart of Lappish Traditions

Awaken to the aroma of breakfast, freshly prepared in your villa by your private chef. Your day unfolds with a Private Reindeer Herder Experience, where you'll meet local herders, learn their centuries-old traditions, and enjoy a rustic lunch by the fire in a wooden hut.

In the hut you will continue the cultural journey with Reflections of Finland. Storytelling performance weaves together Finnish folk beliefs through songs and stories with mystique drum playing.

After this authentic encounter, you'll deepen your connection to Lappish craftsmanship with Secrets of the Kuksa, a hands-on moment where you discover the meaning, symbolism, and tradition behind the iconic wooden cup cherished by generations.

In the afternoon, feel the thrill of a Private Husky Safari, gliding through pristine Arctic landscapes. As evening falls, savor a gourmet dinner at one of Rovaniemi's finest restaurants.

Feel the freedom of the Arctic as snow sparkles around you. Lunch will be served in the city before returning to your villa to relax and refresh.

Later, enjoy an intimate Private Dinner in a traditional Lappish Hut, followed by an unforgettable Northern Lights Hunt – your guide will take you to the best viewing spots to witness nature’s most magical show.

Day 4 – Farewell Lapland

Enjoy a slow morning and one last breakfast prepared by your private chef.
