*Reindeer Herder Day Experience
with Hut Lunch*

You get to feed the reindeer and enjoy a peaceful sleigh ride.

A warm meal, reindeer soup made by herder is served in a traditional kota (hut) by an open fire.

*Reflections of Finland –
A Storytelling performance*

This storytelling performance weaves together Finnish folk beliefs through songs and stories with mystique drum playing.

Secrets of the Kuksa

A Journey into Lappish Tradition. Step into the world of Lapland's most cherished wooden cup, the kuksa.

In this storytelling experience, you will meet a master craftsman who shares the history, symbolism, and secrets behind this unique handmade treasure.

Listen to the tale of how the kuksa is born – from the quiet forests of the North to the skilled hands of its maker.

After the session you have possibility to buy your own Kuksa.

Why to choose this program: **No Crowds:** This is a 100% private experience away from the busy tour bus hubs.

Spiritual Connection: Unlike standard safaris, this explores the why behind Finnish culture — the soul and the mythology.

Hand-Crafted Memories: The combination of a live performance and a physical souvenir (the Kuksa) creates a lasting emotional bond with Lapland.

Local Support: Your booking directly supports local herder families and independent Finnish artists.
